Chairman's and Vice Chairman & CEO's Letter

Dear Shareholders, Customers, and Friends:

After facing an unprecedented and challenging economic environment around the world in 2008, the global economy appeared to show signs of recovery and positive trends in 2009. The Leumi Group's Balance Sheet remained stable and its investment philosophy continued on a cautious path. Bank Leumi USA's strategic plan to maintain strong asset quality and greater levels of liquidity, while remaining profitable was realized in 2009.

In 2009, we witnessed an unparalleled occurrence as U.S. financial institutions sought government assistance for capital and liquidity needs. Bank Leumi USA did not seek or receive government financial help and remained more than adequately liquid. We continued to retain capital levels in excess of regulatory guidelines. Leumi preserved its trusted name in the global financial community.

Staff Changes

Bank Leumi USA welcomed new professionals in 2009 to assist our efforts in this challenging economy. They bring years of experience and knowledge to our bank. In addition, as in any organization, we also bid farewell to other of our professional colleagues.

In May, Benjamin Naveh, Executive Vice President, concluded his assignment here as division executive of International and Diamond & Jewelry lending and Trade Finance activities. Mr. Naveh returned home to Israel, where after 33 years of service with the Leumi Group, he elected to retire.

In July, Boaz Blumovitz was appointed as senior vice president and regional manager for Illinois, replacing Uri Shuker who concluded his assignment here and continues his career in Israel with the Leumi Group. Mr. Blumovitz has been with Leumi for 20 years and previously opened and successfully managed our Silicon Valley office in California.

In August, Eitan Sapir was appointed as first vice president and manager of our Silicon Valley office in California, replacing Shuki

Management Analysis

Net Income for the year was \$6.3 million, compared to \$19.0 million in 2008. The lower net income results can be directly attributed to a decrease in net interest income of \$21.1 million, which reflects the continued low interest rate environment and our strategic decision to maintain a conservative approach to our investment portfolio throughout the year. Assets as of December 31, 2009 were \$5.1 billion compared to \$5.8 billion in 2008. The commercial lending market sustained another challenging year of weak loan demand. As a result, the bank's loan portfolio declined by \$362 million in 2009. Also, while we maintained a high level of liquidity, our cash position decreased, and was a factor in the lower year end asset level.

Assets under management narrowly declined in 2009 to \$7.4 billion from \$7.7 billion in 2008. The low interest rate environment and moderate client activity level in the capital markets contributed to the results.

Governance

The Board of Directors of Bank Leumi USA has adopted and adheres to corporate governance practices that it believes are sound, compliant with applicable law and represent best practices. Bank Leumi USA is not a public company; however, following enactment of the Sarbanes-Oxley Act of 2002, the Board and management enhanced bank policies and procedures to meet many of the standards set by the Act and its implementing rules.

The Board of Directors consists of fifteen members, twelve of whom are independent of management of the bank under applicable law. In 2009, the Board of Directors appointed Theodore Glueck, a director independent of management, as lead director. In his capacity as lead director, Mr. Glueck has additional corporate governance responsibilities. Shareholders and other interested parties may communicate with the lead director or the non-management directors as a group by sending communications to the principal office of Bank Leumi USA in care of the Corporate Secretary.

The Board of Directors has six standing committees: Executive, Audit, Compliance, Investment, Ad Hoc Technology and Loan. In 2009, the Executive Committee met two times, the Audit Committee four times, the Compliance Committee fifteen times, the Investment Committee four times, the Ad Hoc Technology Committee four times and the Loan Committee twelve times. The Board of Directors met ten times.

The Audit Committee has six members. The Board has determined they are (1) "outside directors", (2) have banking or related financial management expertise, and (3) are financially literate, as required by applicable FDIC rules and regulations. The Audit Committee members are Robert M. Butcher, Jacob E. Goldman, Donald S. Howard, Steven Lavin, Francis X. Stankard and Michael Urkowitz. At least one of the members, Mr. Donald S. Howard, qualifies as an "audit committee financial expert" under SEC criteria. Among his many professional achievements, Mr. Howard previously served as the chief financial officer of Salomon Inc.

The Audit Committee operates pursuant to a charter, last approved in July 2009. The charter may be viewed on the bank's website at www.leumiusa.com. The charter gives the Audit Committee the authority and responsibility for the appointment, retention, compensation and oversight of the bank's independent auditors. The Committee pre-approves all audit and non-audit services to be performed by the independent auditors. The Audit Committee appointed Ernst & Young LLP as the independent auditors of the bank after reviewing the firm's performance and independence from management.

The bank has a Code of Ethics, last approved by the Board of Directors in May 2009. It is applicable to all directors, officers and employees. It is a code of conduct that expresses the bank's commitment to promoting (1) honest and ethical conduct; (2) full, fair, accurate and timely reporting, (3) compliance with all applicable laws, rules and regulations by all directors, officers and employees of the bank; and (4) the prompt internal reporting of violations of the Code of Ethics in accordance with procedures set forth in the Code of Ethics. The Code of Ethics may be viewed on the bank's website at www.leumiusa.com.
